Tierra Fina Art Glass Award

From the earth, the green and blue colors symbolize the coming together of water and terra firma. The beautiful Tierra Fina design is permanently affixed to the optical crystal base, and each art glass item is individually hand-crafted. For this reason, consistencies in shape, weight, size, and color are not guaranteed and will vary slightly in each piece. All art glass also includes complimentary gold or silver color fill. 12" H x 4.5" Diameter

UVCLEAN QI

UVClean Qi

Did you know that the average cell phone is covered in 25,127 bacteria per square inch? Clean up your act with the UVClean Qi. It features a built-in ultraviolet light for sanitizing and 15W Qi wireless charging technology for a battery boost while it cleans. Like sunlight in your pocket, it uses short-wavelength ultraviolet (UV-C) light to kill or inactivate microorganisms. It's great for cleaning other high-touch items as well, like keys, watches, and more.
