### PopSockets® PopGrip

The PopGrip - Slide Stretch clips to the sides of most phone cases and is easy to position where you want it. Slide it down for FaceTime in a portrait view or for MagSafe charging. Slide it to the center for use as a stand when watching your favorite show. Slide it just about anywhere else to find the best 'fit' for your hand, for easy texting and swiping. Or slide it off for wireless charging with any standard Qi wireless charger.

## 8' Single Reverse Portable Half Drop Banner

These half-drop banners are digitally printed and extremely popular because of the exposure and portability they provide. Printed on durable outdoor knitted polyester, the amount of colors or complexity of your design or artwork does not affect the price. This kit includes an 8' single reverse banner, a sectional aluminum and fiberglass pole, a carrying case, and a ground spike. The approximate total display height is 10 feet. You can also add an optional cross base for added support.
